

Premium Living Victoria

Screen Installer

Company Description

As a small locally owned company, each employee is like one of the family. With three companies joining forces a few years ago, we are able to offer a wide range of products for homes and businesses from retractable screens, custom window and patio screens, awnings, pergola covers, scissor gates, residential and commercial garage doors, driveway gates and repairs for all the products. We are a premium team of individuals who can work alone or come together as a team to get things done. Our fun family work environment makes coming to work enjoyable.

Job Description

Reporting to the General Manager and Office Manager while working closely with the technicians, your main responsibilities will be to visit customers homes to install their custom-made window screens and patio sliding screen doors, collect payment upon completion of the installation. Use of handheld power tools is required. Opportunities to assist in the fabrication of window screens and assist other technicians with larger item installs exists.

The hours of this position can fluctuate based on customer orders so cross training is available to increase the hours.

Office hours are M-F 8:00-4:30 but some evening or weekend appointments are possible to work with your schedule as some customers prefer evening or weekend appointments.
